12. A VINEYARD TOUR WITH A THIRD-GENERATION OWNER

The best Napa Valley wine tours go beyond the tasting room. At **Gamble Family Vineyards**, owner Tom Gamble takes you on a hay-bale ride through his organic and sustainable vineyards, on land his grandfather first farmed almost a century ago. This is no cookie-cutter tour; it's a chance to hear wine-making tales from a third-generation Napa native—and taste an old-vine Syrah and a robust cabernet. 707/944-2999, gamblefamilyvineyards.com, by appointment, free with suggested purchase of two to four bottles of wine, bottles from \$25.
